

# Welcome to Debtcred Solutions Limited

**Debtcred Solutions Limited** is a professional **debt recovery and receivables management firm specializing in cross-border and domestic collections across East Africa**. We support international creditors, credit insurers, and businesses seeking reliable local recovery partners in the region.

With deep regional knowledge and a strong network of professional partners, we provide **efficient, ethical, and results-driven debt recovery solutions** that help businesses safeguard their cash flow and reduce bad debt exposure.

## Our Expertise

Debt collection can often be complex, time-consuming, and resource-intensive. At **Debtcred Solutions**, we assist businesses in recovering outstanding debts through structured, professional, and compliant recovery processes.

Our services are trusted by organizations across multiple sectors, including:

- International Credit Insurance Providers
- International Creditors
- Trading Companies
- Banks and Financial Institutions
- Manufacturing Companies
- Service Providers
- Accounting and Legal Firms

We work with businesses across all industries, providing **tailored recovery strategies designed to meet each client's specific needs**.

## Why Choose Debtcred Solutions

### Regional Coverage

Debtcred Solutions provides **cross-border debt recovery services across East Africa**, supported by local expertise and professional networks. Our understanding of regional legal systems, languages, and business cultures allows us to recover debts efficiently while minimizing barriers that international creditors often face.

### Professional and Structured Recovery Process

Our experienced team applies proven recovery methodologies designed to maximize recoveries while maintaining professionalism and compliance with local regulations.

## **Innovation and Technology**

We leverage modern systems, digital tools, and industry best practices to streamline the recovery process, ensuring transparency, efficiency, and improved outcomes for our clients.

## **Confidentiality and Data Security**

Protecting client information is a core priority. All recovery processes are handled with **strict confidentiality and high standards of data protection.**

## **Performance-Based Model**

We operate on a **"No Collection – No Fee" basis.** Our commission is competitive, typically starting from **15 % of the recovered amount (negotiable depending on nature of the case, Geographical location of the case & value of the case),** ensuring clients only pay for successful recoveries.

## **Our Services**

Debtcred Solutions provides a range of professional recovery and receivables support services including:

### **Debt Collection**

Efficient recovery of outstanding commercial debts through professional negotiation and structured collection strategies.

### **Cross-Border Debt Recovery**

Specialized recovery services for **international creditors and insurers requiring local representation in East Africa.**

### **Receivables Management**

Support in managing accounts receivable to improve payment cycles and reduce overdue accounts.

### **Business Information Services**

Commercial Credit Investigations, Debtor Tracing, and Credit Intelligence.

## **Field Collections**

Physical follow-ups and negotiations conducted by experienced field recovery professionals.

## **Debtor Investigations**

Identification and verification of debtor operations, financial position, and payment capacity.

## **Asset Tracing**

Tracing debtor assets and financial interests to support recovery strategies.

## **Recovery Support for International Creditors and Insurers**

Local recovery representation for **international debt collection agencies, credit insurers, and global suppliers.**
